Feeding instructions

General use

Mix 1 sachet of 50 g per day for minimum 10 days to the daily ration.

Reinforced effect

Mix 2 sachets of 50 g per day for minimum 3 weeks to the daily ration.

Do not exceed recommended daily quantities.

Packaging

Box of 10 sachets of 50 g

Carton of 100 sachets of 50 g

Antidoping certificates

Each batch is officially certified by the LCH (following controls on final product, urine and blood of a horse having received 3 times the recommended daily quantity). LCH certificates are available on www.twydil.com (by entering the batch number).

It is the user's responsibility to conform to the directives of the local competent authorities presiding over his region or country. Concerning some ingredients of our formulas, the national regulations may change independently from the FEI rules.

Compositions also available on our website www.twydil.com.

Storage and precautions

Store in original pack in a cool dry place. Minimum storage life (under proper storage conditions): best before date shown on the sachet.

Keep out of reach of children.
